## Labrador – Guides

On this page you will find links related to the use of Labrador.

Labrador is the CMS system behind the media Resonans. Labrador is where you prepare journalistic products that can later be published on Resonans.

Resonans is the journalistic platform with content produced by journalism and photojournalism students at the Danish School of Media and Journalism (DMJX).

## Helpdesk and editorial availability

A helpdesk will be set up where you can get help and answers to questions about Labrador. An overview of when the editorial team is available during the fall of 2025.

Note: The editorial team works exclusively with Labrador and answers inquiries in connection with helpdesk sessions. We therefore recommend using the helpdesk when it is active.
