At DMJX we have access to LinkedIn Learning. A platform where you can get guides for a number of different software programs.

If you want to access LinkedIn Learning, do as follows.

1. Log on to our learning platform at itslearning.dmjx.dk
2. On the front page (DMJX Dashboard) you will find a link on the right side and at the bottom (under DMJX links -> External resources) - [click on the link >>](#)
3. You are now directed to the LinkedIn Learning login.
4. Write your DMJX email address and click on "Continue"/"Forsæt"
5. Click on the button "Forsæt til Danmarks Medie- og Journalisthøjskole"
6. You are now logged into LinkedIn Learning.

You can set the language in LinkedIn Learning in the upper right corner. Use the button with a globe – right next to the DMJX logo.
