At DMJX we have access to LinkedIn Learning. A platform where you can get guides for a number of different software programs.

If you want to access LinkedIn Learning, do as follows.

1. Log on to our learning platform at [itslearning.dmjx.dk](https://itslearning.dmjx.dk)
2. On the front page (DMJX Dashboard) you will find a link on the right side and at the bottom (under DMJX links -> External resources) - [click on the link >>](#)
3. You are now directed to the LinkedIn Learning login.
4. Write your DMJX email address and click on "Continue"/"Forsæt"
5. Click on the button "Forsæt til Danmarks Medie- og Journalisthøjskole"
6. You are now logged into LinkedIn Learning.

You can set the language in LinkedIn Learning in the upper right corner. Use the button with a globe - right next to the DMJX logo.
